Let There Be More Light

*Far far far away, way
People heard him say, say
I will find a way way
There will come a day day
Something will be done
Then at last the mighty ship descending on a point of flame
Made contact with the human race at Mildred Hall
Oh my, something in my eye eye
Something in the sky sky
Waiting there for me
The outer lock rolled slowly back
The seroicemen were heard to sigh
For there revealed in flowing robes was Lucy in the sky
Now now now is the time time time
To be be be aware
Carter's father saw it there and knew the hull revealed to him
The living soul of Hereward the Wake
Oh oh did you ever
No no never will they
O-O-O can't say
Summoning his cosmic powers
And glowing slightly from his toes
His psychic emanations flowed.*

Seabirds

Words and Music by
ROGER WATERS

Migh-ty waves come crashing down the spray is lash-ing high into the eagle's eye —
Surf comes rushing up the beach now will it reach the castle wall and will it fall —

shriek-ing as it cuts the De-vil wind is call-ing sail-ors to the deep
cat-fish dappled silver flashing dogfish puffing bubbles in my deep

But I can hear the sound of sea-birds in my

ear and I can see you smi - - - le

Surf is high an'the sea is a-wash an'a haze of can-dy floss, glitter, and beads

rock that we sat on and watched in the sun that was hot to the touch and the sea was an e-mer-ald

green and I can hear the sound of sea-birds in my

ear and I can see you smi - - - le

Seabirds

*Mighty waves come crashing down
The spray is lashing high into the eagle's eye
Shrieking as it cuts the devil wind, is calling sailors to the deep
But I can hear the sound of seabirds in my ear
And I can see you smile
Surf is high an' the sea is awash
An' a haze of candy floss, glitter and beads
Rock that we sat on and watched in the sun
That was hot to the touch
And the sea was an emerald green
I can hear the sound of seabirds in my ear
And I can see you smile
Surf comes rushing up the beach
Now will it reach the castle wall and will it fall
Catfish dappled silver flashing
Dogfish puffing bubbles in my deep.*

Embryo

Words and Music by
ROGER WATERS

Embryo

*All this love is all I am
A ball is all I am
I'm so new compared with you
And I am very small*

*Warm glow, moon glow,
Always need a little more room
Waiting here seems like years
Never seen the light of day*

*All around I hear strange sounds
Come gurgling in my ear
Red the light and dark the night
I feel my dawn is near*

*Warm glow, moon glow
Always need a little more room
Whisper low, here I go
I will see the sunshine show.*

Fat Old Sun

*When that fat old sun in the sky's falling
Summer evening birds are calling
Summer Sunday and a year
The sound of music in my ears
Distant bells
New mown grass smells
Songs sweet
By the river holding hands
And if you see, don't you make a sound
Pick your feet up off the ground
And if you hear as the wall night falls
The silver sound from a tongue so strange
Sing to me
Sing to me
When that fat old sun in the sky's falling
Summer evening birds are calling
Children's laughter in my ears
The last song-light disappears.*

Crying Song

Words and Music by
ROGER WATERS

(Slow)

We smiled and smiled we smiled and smiled
climbed and climbed

laughter ech-oes in your eyes,
foot fulled soft-ly in the pines.

We cry and cry we cry and
We roll and roll we roll and

cry.
roll. Sad - ness pass - es in a while.
Help me roll a - way the stone.

Crying Song

*We smiled and smiled
We smiled and smiled
Laughter echoes in your eyes
We cry and cry
We cry and cry
Sadness passes in a while*

*We climbed and climbed
We climbed and climbed
Foot falls softly in the pines
We roll and roll
We roll and roll
Help me roll away the stone.*

Arnold Layne

Words and Music by
SYD BARRETT

Arnold Layne

*Arnold Layne had a strange hobby
Collecting clothes
Moonshine, washing line
They suit him fine.*

*On the wall hung a tall mirror
Distorted view
See-through baby blue
He dug it*

*Oh Arnold Layne, it's not the same
It takes two to know
Two to know
Two to know
Why can't you see Arnold Layne
Arnold Layne don't do it again*

*Arnold Layne had a strange hobby
Collecting clothes
Moonshine, washing line
They suit him fine*

*Now he's caught, a nasty sort of person
They gave him time
Doors clang, chain gang
He hates it*

*Oh Arnold Layne, it's not the same
It takes two to know
Two to know
Two to know
Two to know
Why can't you see Arnold Layne
Arnold Layne don't do it again.*

Point Me At The Sky

*Hey Jean misses, Henry McLean an' I finished my beautiful flying machine
 An' I'm ringin' to say that I'm leaving an' maybe you'd like to fly with me and hide with me baby
 Isn't it strange how little we change, isn't it sad we're insane
 Playing the game we know ends in tears
 The game we've been playing for thousands and thousands and thousands
 Jumps into his cosmic flyer, pulls his plastic collar higher
 Light the fuse and stand well back, he cried, this my last goodbye*

*Point me at the sky and let it fly
 Point me at the sky and let it fly
 Point me at the sky and let it fly*

*Hey Jean misses Henry McLean an' I finished my beautiful flying machine
 An' I'm ringin' to say that I'm leaving an' maybe you'd like to fly with me and hide with me baby
 If you survive 'till two thousand and five I hope you're exceedingly thin
 For if you are stout you will have to breathe out
 While the people around you breathe-in-breathe-in
 People pressing on my sides is something that I hate
 And so is sitting down to eat with only little capsules on my plate*

*Point me at the sky
 Point me at the sky
 Point me at the sky*

See-Saw

*Marigolds are very much in love
 But he doesn't mind
 Picking up sister he makes his way to see-saw land
 All the way she smiles
 She goes up as he goes down down
 Sits on a stick in the river
 Laughter in his sleep
 Sister's throwing stones
 Hoping for a hit
 He doesn't know
 So there
 She goes up while he goes down down
 Another time, another day
 A brother's way to leave
 Another time, another day
 She'll be selling plastic flowers on a Sunday afternoon
 Picking out weeds
 She hasn't got the time to care
 All can see he's not there
 She grows up for another man
 And he's down.*

Grantchester Meadows

*Ocey wind of night be gone this is not your domain
On the sky a bird was heard to cry
Misty morning whisperings and gentle stirring sound
Belies a deathly silence that lay all around*

*Hear the lark and harken to the barking of the dog-fox gone to ground
See the splashing of the kingfisher flashing to the the water
And the river of green is sliding unseen beneath the trees
Laughing as it passes thru' the endless Summer making for the sea*

*On the lazy water meadows O lay me down
All around me golden sunflakes settle on the ground
Basking in the sunshine of a by-gone afternoon
Bringing sounds of yesterday into this city doom.*
